“Every Day Counts”

If your child is absent from school we must have a note, phone call or you can also enter the reason directly onto COMPASS to explain the absence. This is required by the Department for our records.

Asthma And Anaphylaxis Plans

Recently the staff completed their asthma and anaphylaxis training that updates us on how to treat your child in the case of an asthma attack or anaphylactic reaction. It should give you peace of mind as a parent that the staff all know how to look after your child when they really need it.

What we need from the parents of these students are up to date treatment plans. We have a number of students with asthma and some students with anaphylaxis, but unfortunately their plans are not up to date. The plans, developed by your doctor, will guide us in treating your child in the case of an asthma attack or anaphylactic reaction. So please, make an appointment with your GP and update/create your treatment plans. Once complete, we need a copy at the office to be accessed by staff if required. Also, please ensure all asthma puffers and EpiPens are in date. We require these at school to be stored with the plans.

This information is vital. Please provide a copy to school as soon as possible!!!

Class Awards:

Grade Prep: Kody Trinne for the brilliant start you have had this term. It is fantastic to see you walk into your classroom each morning with a smile on your face and a story to share. You have also worked hard to complete each of your set tasks and it has been wonderful to see how proud you are of your learning. Keep up the great work Kody! You are a superstar!

Grade 1: Ryder and Kaiden Heeman for a wonderful first week at Red Cliffs East Primary School. You have been very brave and have settled into your new classroom with ease. We are loving getting to know you and we are so lucky to have you join us in the Grade 1 room.

Grade 2/3: Indi McArdle for being an active learner this week. Indi, it has been great to see you sharing your thinking and ideas more frequently with your teacher and peers. You have also shown great persistence as a learner and continued to have as go at your independent learning tasks. Amazing work Indi and keep up the wonderful effort!

Grade 3/4: Trixten Dowdy for being an active learner in Maths. Trixten, you are always thinking of many different ways that you can solve a problem. You eagerly share your thinking with your peers and explain new ideas to them. Keep up the great work Trixten!

Grade 4/5: Mia Aichin for the fantastic start to the term. You have demonstrated what an Active Learner looks like in the Grade 4/5 room classroom by sharing and discussing your ideas and opinions across a variety of peers during Reading and Maths lessons. Well done and keep up the great work!

Grade 6: Stella Eastwood for being brave and sharing your insights and thoughts consistently during class discussions. Stella, we have noticed you have been more willing to share your voice in the classroom. You have challenged yourself and stepped out of your comfort zone! Keep it up!

NAPLAN Results

This week we received our whole school NAPLAN results that the Grade 3 and 5 students completed in March. At the moment we have not yet received the individual student NAPLAN hard copy reports for parents. When these arrive we will notify parents and they can be collected from school. Our overall results were extremely pleasing. Once they have been unpacked further we will inform our community of these results.

Student Led Conference Day—Friday 11th August

As part of the student reporting process we will be conducting Parent/Teacher/Student conferences on **Friday 11th August**.

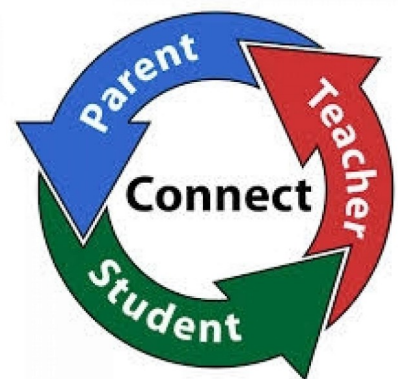

This year we will be conducting these meetings from 8.30am to 3.30pm. Therefore this day will be a pupil free day except for the time that they will need to be at school for their conference with their teacher and parent.

The meeting structure will involve all 3 participants and will provide an opportunity to discuss how your child is going as a learner.

Next week you will be able to book your conference time on COMPASS. Any issues please contact the office.

It is important that you find a time during the day to share in your child's learning.

At the moment we are in the process of organising an Out of School Hours program for the day starting at 8.30am concluding at 2pm. More information will follow next week. The cost at the moment will be \$50 per child for the day (Childcare subsidy rebate will apply for those who are eligible).

Whole School Review

This week we had two days of classroom observation, data analysis, staff discussions, parent meetings and goal setting. All this is part of the school review process. The participants consisted of the lead reviewer, our local Senior Education Improvement Leader, School Council President (Janet Thompson), two local Assistant Principals (from Irymple PS and Red Cliffs SC), as well as Mrs. Seipolt, Mr. Sellens and Mr. Warn.

This process (as well as another day in 2 weeks time) will result in a thorough examination of our current practices and will define clear goals for school growth and improvement over the next 4 years.

I would like to thank all staff, students and those parents involved in the parent focus group, for your time and input during this process. Your input was invaluable in gaining an overall focus of our school.

Prep 100 Days At School

On **Friday 4th August**, the Prep students will have completed their first 100 days of schooling. We are inviting all students and staff to come to school dressed as a 100 year old. Have some fun with the concept.

There are some ideas on the flier.

We are inviting all students to dress up, not just the Preps.
