Regional School Cross Country

Last Tuesday we had 4 students head off to St Arnaud to compete in the Regional Cross country. Students from all over the north and west of the state converged on a muddy and hilly track in St Arnaud.

The 4 students enjoyed the experience but the parents who attended didn't quite appreciate the chilly weather as much. Thank you so much to the 3 parents who provided lasting memories for the students by getting them there to compete.

- Tommy Smith—46th
- Nate Gathercole—59th
- Henry Glen— unsure of final place
- Mia Alchin— 55th

All the age groups had different number of participants.

Well done to all 4 students who represented our school and region with determination and pride.

Birthdays: Ollie Tait, Alice Dawson-Vernon, Gursidak Singh.

Class Awards

Grade Prep: Evelyn Ferdinando for being the most motivated weather reporter and Prep class has had this term. It was fantastic to see you take on your role as our weekly weather reporter with so much enthusiasm and importance. You presented the daily forecast clearly, recorded the outside temperature and gave us some tips on what to wear. You were fantastic Evie. Great job!

Grade 1: James Marinucci for being an active learner in the Grade One classroom. James, you are always listening carefully to instructions and being respectful when others are speaking. It is also wonderful to see you sharing your thinking and always having a go at answering questions. Well done and keep up the fantastic work!

Grade 2/3: Henry Glen for being a brave learner this week. Henry, in your learning you have approached your tasks with a can do attitude. It has been great to see you stepping out of your comfort zone and look for challenges in your learning. Fantastic work Henry and keep up the awesome effort!

Grade 3/4: Beau Gathercole for being brave and taking risks with new learning. Beau we have noticed you showing focus and determination in all tasks and working outside your comfort zone! Wonderful work Beau. Keep up the great effort!

Grade 4/5: Zoey Hocking for the motivation you have displayed in class. Zoey, over the last two weeks we have noticed you displaying a 'can do' attitude in all of your learning tasks. You have given your best efforts during testing and continued this when completing other classroom tasks. Well done Zoey, you should be very proud of yourself!

Grade 6: Conner Garsed for being brave in the Grade 6 classroom. Conner, we have noticed you having a go and working with different people during group activities. You have also challenged yourself with new learning and continued to have a growth mindset. What a champion! Keep it up.

Student Safety On Bikes Riding To And From School

We are asking parents of students who ride bikes to school to monitor and speak to their child about riding safely. We have had reports from parents that they have observed some students riding dangerously on the road when there is no bike track to use.

Parents will know the route their child takes to ride to school so if this is potentially your child, please have a strong conversation with them about staying safe on the road.

Eisteddfod

On Wednesday the Grade 3/4 choir travelled into Mildura to compete in the Eisteddfod. The students did a wonderful job on stage.

Mrs. Judd and Ms Milne (accompanying on keyboard) have been working with the students in preparation for their performance. All the rehearsal certainly paid off with both songs performed beautifully.

Below is a copy of the feedback from the official adjudicator. A score of 83 out of 100 is a great score. The difference between 1st place and 6th place was only 6 points. Our students did not place in the top 3 but they certainly were not far off the mark.

The students should be very proud.

Points Awarded (Maximum 100)	Remarks
<p>83.</p> <p>Song to make you smile. The cow in my driveway</p> <p>Song to make you smile</p>	<p>You found centre of stage perfectly. Remember to show us your beautiful smiles! This just needs a little more energy - its a really great choice of songs. Perhaps you could consider transposing to E major - this I think will help brighten the sound. Wonderful memory work with so many verses!! You were not always together in today's performance.</p> <p>To the girl in the front row third from the right - I loved your smile throughout, this is quite a tricky as it covers quite a large range! for the most part you handled the pitch quite well. A couple of times, the ensemble rocked a little.</p> <p>Thank you for your performance today.</p> <p style="text-align: right;">Adjudicator.....</p>
