### “Every Day Counts”

If your child is absent from school we must have a note, phone call or you can also enter the reason directly onto COMPASS to explain the absence. This is required by the Department for our records.

**Assembly will be run by the School Leaders this week**

### Walk To School Day

Thank you to all the students and parents who participated in the walk to school day last Friday. Once again it was wonderful to see so many students and parents participating. Once everyone arrived at school there was a lovely breakfast waiting. Bonney worked very hard to have it all ready to go. Thank you Bonney, and your helpers, for a healthy start to the day.

We also announced the winner of the ‘guess the number of lollies in the jar’. The lollies were donated by Bonney. The winner of the lollies, with a perfect guess of 107, was Ben. As you can see by the smile on his face, he was a very happy winner.

## New Play Space

Last Friday work was completed on our new artificial turf located under the shade sail behind the library.

The space is ideal for social play and a place to 'show off' those gymnastics moves.

The students had the chance to take out our outdoor games and spend some time with their friends playing oversized noughts and crosses, pick up sticks, twister and Jenga. We will continue to add to our selection of games that can be used in this space.

Thank you to the School Council for their support in creating this space for the students.

## Junior School Council Day—Wednesday 6th December

The students in JSC had a meeting today and they would like to run a fun day on Wednesday 6th December. The students have asked to come dressed as their idol/hero. The day will cost \$2 each and the money raised will be donated to Jacaranda Village so that they can buy something special for Christmas.

On the day the school will buy each student an ice-cream, to thank them for their generous donation.

### Grade 3 & 4 Camp

On Monday and Tuesday the students in Grades 3 and 4 will be heading off on camp. They will be spending 2 days at the Pioneer Settlement in Swan Hill to step back in time.

Over the 2 days the students will be making lamingtons, rope making, attending an old fashion school, blacksmith demonstration and traveling up the river on the 'Pyap' paddle steamer. On Monday night they will attend the 'Heartbeat of the Murray Laser Spectacular'.

The students will be leaving at 9am on Monday and will be back at school by 3.30pm on Tuesday.

### Leadership Speeches

It is that time of the year again when the Grade 5 students have the opportunity to nominate themselves for School Leader in 2024. Any student who wishes to nominate are asked to present a speech to our school community. These speeches will be held on Friday 1st of December at a school assembly. We will hold the assembly at 9am so that parents can attend and then vote for the School Leaders for 2024.

**We invite all parents and family members to come along and support the students.**

### Christmas Raffle

This year we will be having a Christmas raffle to be drawn at the end of year presentation night at Barclay Square.

We have had some wonderful donations from the Fagan family which we will use as first and second prizes. We are asking for donations from our community to make Christmas hampers for other prizes. Any donations will be gratefully received. When we have them all we will break them up into hampers and try and 'spread the love' as far as we can.

Donations can be dropped into the office at any time and we will collect them and store them here.

### 2024 Prep Students—Transition Dates
