### Parent/Teacher/Student Conferences

Thank you to the parents and students who came along last night for a conversation with the teachers about how school was going. The feedback from the teachers and parents has been positive. The parents have commented on how they appreciate the chance to talk with their child and teacher about how school is going. It has been such a disruptive time in the school for the past 18 months so chances to discuss students’ progress etc is very important. Tonight is the next chance for teachers, parents and students to get together for a conversation. We look forward to seeing you. Please remember to check in using the QR codes, make sure you wear a mask and please don’t be on site any longer than you need to be.

### Athletics Sport Day

Next Wednesday 28th August we will be holding our annual Athletics Sports Day. It is very important that this day goes ahead for the students. Now we are back at school we can get it up and going.

The down side is that we will not be able to have parents attend the day. We usually ask for your assistance but unfortunately we cannot do that at the moment, nor can we invite you on site to come and watch. We must abide by the State Government restrictions that are currently in place. Of course this is not ideal and certainly not how we want to run the day, but it is a necessity at the moment.

Mr. Tuohy has adapted the timetable for the day to ensure it works with the staff who will run it. We will make sure that the students have the opportunity to shine and it will provide a path through to the Mini Olympics (provided that these can run) for the older students.

*Students are encouraged to come along dressed in their school house colours.*

### Continuation of FREE trial.

We are offering a continuation of free trial.

You must have completed and returned an enrolment form in order to attend.

Come along and try the OSCH program.

### Outside Of School Hours Care (OSHC)

We have started!!!! We have had a number of students starting to use the OSHC program.

The students at the program have been indulging in afternoon tea before starting a number of different fun activities. They have been playing basketball, having a hit of tennis, completing some art activities and spending time playing a variety of board games. All the students are having a great time at the program.

We look forward to seeing some more students coming along over the next few weeks.

Enrolment forms are available from the school office. Students cannot attend without a completed form returned to the office.

### Grade 5+6 Lightning Prems

Yesterday the Grade 5 and 6 students spent a great day in the winter sunshine participating in the annual lightning prems. Our students combined with students from Cardross PS and Koorlong PS to compete in a variety of sports; soccer, hockey, football and netball.

The winners on the day were:

#### FOOTBALL

Ouyen - (along with a range of students from other schools to get enough numbers for their team to play)

#### HOCKEY

Red Cliffs Primary School

#### SOCCER

Cardross/Red Cliffs East/Koorlong

#### NETBALL

A GRADE - Ouyen

B GRADE - Ouyen

All the students had a great day. It was wonderful to see them out enjoying themselves again at a school event. Once again our students competed with enthusiasm and great sportsmanship. We were very proud of how they represented our school.

A big thank you to Mr.Tuohy and Mr.Sellens who umpired all the hockey and football games for the day. Thanks for making the day possible for the students.

## Book Week

On Friday 27th August, the students and staff will be participating in a celebration of books and reading. Students will spend the day in multi aged groups participating in a variety of reading/ book activities. The students are invited to dress up as a book character for the day. We will give the students a chance to 'model' their costumes to the rest of the students at a get together in the morning.

We encourage family members to come along to our assembly (if we are able to run them with parents) and join in with the reading festivities.

This is always a great day on our calendar and we look forward to seeing all the creativity in the students.

*The theme for this year's book week is:*

Some photos of costumes from previous years:

This will be a great opportunity for the students to let their hair down, dress up and have a laugh.
