“Every Day Counts”

If your child is absent from school we must have a note to explain the absence. This note is required by the Department for our records.

Assembly this week will be run by the School Leaders

Student Led Conferences

Thank you to all the parents and family members who participated in the Student Led Conferences over the past 2 nights. The students were so proud of their input into the conferences and to have a chance to share their learning with their parents was a real positive experience.

The feedback from the teachers was extremely positive and they would like to thank everyone who came along and embraced the conferences and encouraged your children to ‘shine’.

As you know learning is a partnership between students, teachers and parents. This was evident over the past 2 nights from Prep right through to Grade 6. Well done everyone. If you do need to reschedule and have not already done so, please contact the school and work out a time with your child’s teacher. It is vital that **ALL students** get the opportunity to share and celebrate their learning.

Parent Opinion Survey Closes This Sunday 11th August.

This week reminder notes were sent home to parents who were randomly selected to complete the annual Parent Opinion Survey. As of yesterday we had 10 responses. There were 40 letters sent home which means there are many still outstanding.

If you received a note can you please take 10 minutes to complete the survey as the information we receive is very important.

2020 Prep Enrolments

We have been receiving steady enrolments for 2020 but there are still some siblings of current students who we have not heard from. If you are intending to enrol your child for 2020, please call into the office and collect an enrolment form at your earliest convenience. We do require an idea of numbers for next year for our planning. Can you please let other families know who may also be looking to enrol their child.

Students Of The Week

Prep/1: Zara Trinne for being a kind and helpful student. You listen to all instructions carefully, treat others with kindness and always display a positive attitude towards your learning. Well done Zara, keep up the great work!

Grade 1/2: Blayde Andersen for the great start you have made this term. Blayde, it has been great to see you transition into our class with a smile and a positive attitude. You have approached all of your learning tasks with confidence and persistence. It has been great seeing you get settled back into life at our school. Welcome back Blayde and keep up the amazing work.

Grade 2/3: Nate Edwards-Riley for the positive attitude you have when you enter the classroom to start your day. You are organised and always one of the first to be on the floor ready to learn. It is fantastic to see your enthusiasm for school and learning. Well done!

Grade 3/4: Abby Harris for being the best version of yourself this week. Abby, we have noticed how hard you have been working in class to achieve your personal best. Well done on such a fantastic week and thank you for being a positive role model in the classroom.

Grade 5: Jessica-Lee Thomas for your dedication to your learning. You work hard on all of our challenges and you never ever give up. We were so proud of how you persisted in Maths yesterday and we are grateful to have you as a role model in our class. Well done Jessica-Lee!

Grade 6: Brandan Slater for staying on task and avoiding distraction. Brandan, we really liked how you were resilient and persisted in your cold write yesterday. When you got stuck, you refocused and kept going to write a piece you were really proud of. Awesome job Brandan. Keep up the great work!

Student Leader Award: Aidan Nulty for being a terrific leader. Aidan, we noticed you helping in the yard by looking after the high jump equipment during play times and reminding others to stay safe. Keep up the great work Aidan!

House Award: Kylah Maher for displaying determination in Origami Club. We love seeing you come on both days and persisting in folding everything just perfectly when making your beautiful creation. Congratulations Kylah, you have won 10 points for Byrne!

Costume Donations

If anyone has any children's dress up costumes at home that are no longer being used by your child, we would love to have them donated for use in performing arts classes and also for spares on dress up days for those students who do not/can't dress up. Your children may have outgrown them or they may no longer be used. Either way we would love to have them at school for all our students.

For any new players that are interested in wanting to play in our Summer Competition starting Term 4!

Athletics Sports Next Wednesday 14th August

We have our Athletics Sports next Wednesday. A note was sent home earlier this week with the timetable for the day. Below is another one just in case you have misplaced the original note.

Students are encouraged to come dressed in their house colours. Relays from 2.15pm.

A note was also sent home earlier in the week with an order form for a hot dog lunch on the day. We need the order form returned no later than next **Monday 12th August** so the hot dogs can be ordered. Hots dogs can be paid for on the day but the forms need to be returned earlier to school.

We will have a coffee van on site during the day so those parents who are attending, don't forget your loose change for a coffee. The van will also be selling snacks during the day as well.
