“Every Day Counts”

If your child is absent from school we must have a note to explain the absence. This note is required by the Department for our records. You can also record the absence directly onto COMPASS.

2021 Enrolments

If you have a child who will be starting Prep in 2021 we are now accepting enrolments. If you are aware of any students starting Prep in 2021, could you also inform their parents that we are taking enrolments. Please contact the office to arrange a tour of the school. We are happy to accommodate tours at any time but please ensure you ring to make an appointment.

We have already had new families make contact with the school and it has been wonderful showing them around.

Congratulations Mrs. Smythe

Mrs. Smythe has added an addition to the family. Last Tuesday, 8th June, James Edward Smythe came into the world fit and healthy. She was happy to report that everyone is doing well.

School Council Email Address

The School council has allocated a specific email address for our community to communicate directly with the School Council. The address is:

rceps.schoolcouncil@gmail.com

Please feel free to contact the School Council via this email if you have any questions and feedback about any school related issue.

The School Council is a representative of the school community and they work to create a positive school environment. Any feedback you feel is required (don't forget that feedback can be positive) is important to the School Council. We felt that the school community has not had a direct line of communication to the Council group so we hope this email meets that need.

Crazy Hair Day Crazy Dress And Crazy Hair Day—Friday 26th June

Day

It's been a crazy term so why not finish it off with a crazy hair/dress day at school.

Students can come dressed in crazy clothes and crazy hair/wigs. It will be nice to acknowledge the crazy term coming to an end.

There is **no cost** for the day. It is just about having some fun and sending off the crazy Term 2 in style.

Last day Term 2
Friday 26th June
2.15pm dismissal

We have been informed this morning by the Bakery that they will not be doing any lunch orders for the remainder of the term. These will commence again at the start of Term 3. The Bakery has had to cut staff due to the Corona virus.

I understand that lunch orders have been quite confusing since returning to school 2 weeks ago. One minute we can order them and then the next minute we couldn't. I do apologize for any confusion this may have caused but we have just passed on the information we were given by the Bakery.

Hopefully it is all back to normal in Term 3.

School Cross country

Obviously during term 2 we have had huge interruptions to our normal schooling. Our school cross country is always held in Term 2 so we have made the decision to hold this event next Tuesday. The format of the day will run as it has in previous years with the students running their allocated distance in their age group.

We understand that we have not had the opportunity to train for this event but we felt we still needed to run it as there are many students

who shine on this day.

We always invite families to attend and watch their children but obviously this year **we cannot offer this to parents. We are still not permitted to have parents on site.** We do understand that this is not ideal but we must adhere to safety directions.

We are hoping to hold our school athletics later in term 3 with parents on site, but again we need to wait for directions from health services.

Thank you for your understanding.

We can all chose the way we treat and interact with others.

There has been a lot going on in our community, our country and around the world in recent times. We have all noticed the media reporting on highly emotive and challenging events that have been occurring in many places around the world and also very close to home.

All of us have an obligation to be caring, considerate and understanding of others. Being aware of the positive impact we can have on others by 'choosing kind' can never be underestimated. So in these times it is important that we look at ourselves and take control of how we choose to act and speak around others. If we all choose kind the world we live in will be a much better place.
