School Crossing—Reminder To Parents Ands Students

The start of the school year always offers a timely opportunity to remind our students and parents of the appropriate area to cross the road at the front of the school. Green bollards near the large blue school sign indicate the safest place to cross the road. A staff member will always be on duty to assist people to cross the road safely. Please do not cross anywhere else as it can be difficult for drivers to see people when they enter the road from between parked cars.

The road is not marked as a designated crossing but the bollards indicate the correct place to cross, with the assistance of a staff member.

After School Hours Care

Good afternoon Families,

Thank you all for a great start back at After School Care. We have made it through the recent heatwave with lots of indoor activities such as Board games, Hama Beads, Loom Bands, Duplo & Lego creations, foosball matches as well as colouring ins and Origami. We did have the occasional play in the water sprinklers to cool down.

Please ensure you send your child to After School Care with a spare hat for this term otherwise we will have to borrow classroom hats.

Our first invoices for the Term will be generated on Monday 9th of February. Please keep an eye out for these in your emails and a hard copy will be provided next time your child attends the program.

This term we will focus on welcoming all new students to our program, ensuring they are aware of the After School Care routines as well as gathering feedback of the students' current interests in order for us to create a program that students will engage with.

Thank you,
Alina

Information Sessions

This year we will not be conducting our usual first term parent teacher meetings. Instead, we have decided to run 2 information sessions for parents and students to attend (only need to attend one of them).

Teachers are motivated to run the sessions so that all parents have the opportunity to become familiar with the workings of their child's class for 2026. Teachers will share how things are going to work for the year:

- homework
- nightly reading
- camp program
- learning expectations in the classroom
- communication with home and school
- Question time

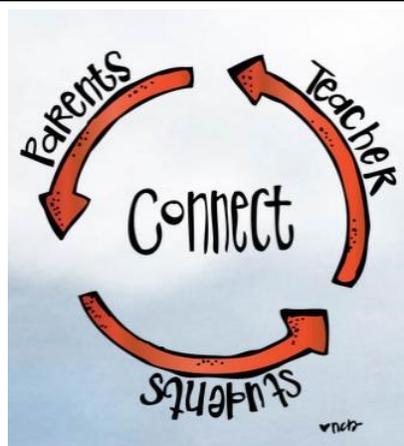

Teachers will not have the opportunity to chat at length with each parent either before or after the information sessions. In saying that, all teachers will have their diaries with them to make appointment times with any parent who would like to meet to have further conversations.

We are running 2 sessions to cater for working parents that cannot make the 4.30 session, and also for parents with more than one child at school. This way they have the chance to attend sessions for both children. If you have more than 2 children at school, you may have to divide and conquer.

We would like the students to attend the sessions with the adults so that everyone is a part of the session. That way we know that everyone is on the same page and that we are all in this together. It does not make sense not to have the students involved, after all, it is their learning space.

Wednesday 25th February

4.30 to 5pm

School Hats

During 1st Term all students are required to wear a broad brimmed hat when outside at school. If students do not have one at school, they will be asked to play under the shade sails.

We have school hats for sale for \$14 which can be purchased at the office.

School Photos

Our annual school photos have been scheduled for **Monday 16th February**. All ordering is done online directly with 'Leading Image'. The process to order photos will be provided as soon as we receive it from the photographers.

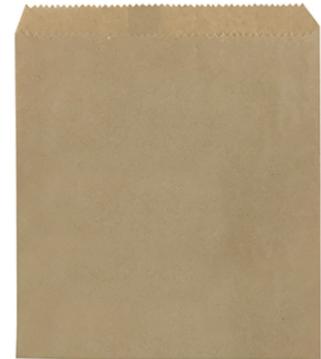

Lunch Orders

Lunch orders will this year be on **Monday and Friday**. Below is a price list for 2026.

Students simply need to bring a paper bag with their order clearly written on the front along with their name, class and payment.

Please ensure you include the correct money as change may not be given.
