Bike Track Tidy Up

Yesterday the members of the Junior School Council joined forces with members from Mildura Rural City Council to tidy up the weeds along the bike track. There was a focus on the track from the stop and stride sign up to the front of the school.

Bonney helped co-ordinate the job with the council after there were many reports from our students of punctures from the prickles along the track. Our Junior School Council, who are a voice for the student body, became proactive and made enquiries with the MRCC to see if they could help. Originally they said they couldn't but with contacts from within the school, we managed to get them to come and help.

Thank you so much to the council for their support. The students (and the parents who repair punctures in tyres) really appreciate the support.

Bonney and the JSC need to be congratulated for their proactive work to get this job done. WELL DONE!!! It just goes to show what you can do with a bit of determination and a willingness to roll your sleeves up and get the job done. Very big thank you to Shannon and Belinda Beutel (Xavier's parents) for all their help. Also thank you to Peter Matsumoto for organising the Council.

Mother's Day Stall

Thank you to all the parents who came along last week to help with the Mother's Day stall. All the students had the opportunity to purchase a gift for their Mum.

You!**

Ritchies IGA Reward Program

As of this week we have registered as a community group to benefit from the Ritchies IGA program.

If you wish to support our school, just simply follow the directions below to download a card App onto your phone. It does not cost you anything to join.

The next time you are shopping at a Ritchies store, simply scan your downloaded card at the register and points will be added to our school total.

We plan to use these points to support our schools Meal Deals and Breakfast Club. Any points will be a great help and all students will benefit. Thank you for your ongoing support.
