HERO Day

Thanks you to all the parents and students who supported our Hero Day last Friday. Due to the generosity of our school community we raised \$560 that was given directly to Riley’s family. This will be a huge support for the family as they continue to go through their health battles.

Once again the day showed just how important communities are in supporting each other in times of need. The generosity of our people is amazing and we cannot thank you enough. We always say we have a great school community and this was proven again last week.

Happy Birthday Dustan Newey

Students Of The Week

Grade Prep/1: Isabelle Vincent for the outstanding effort you put into writing your family poem this week. It was wonderful to see you using your planner to say your sentences out loud before having a go at writing them. You also worked hard at staying focussed throughout the writing lesson so you could finish your poem. I am so proud of you Izzy! Keep up the great work!

Grade 1: Melody Bellamy for trying really hard with your reading. You are thinking very carefully about the sounds you know and blending them together beautifully to read words. Keep up the fantastic work!

Grade 2: Jai Lawson-Chapman for demonstrating persistence in all areas of your learning this week. Jai, during all your tasks this week you have approached them with curiosity and can do attitude. You have also been happy to accept challenges and given your best effort on your tasks. You should be very proud of your efforts Jai and keep up the great work!

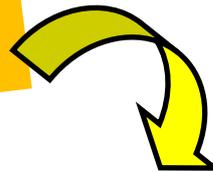

Grade 3/4: Sophie Newey for the effort you have put into all your learning this week. Sophie, you have remained focused during class discussions and have tried super hard to complete all your set tasks. Keep up the great work!

Grade 4/5: Billy North for exceeding all of your own expectations. We have been so proud of the way you have applied yourself to all of your mid-year assessments. You approach each task with determination and you are always humble about your achievements. Well done Billy, you inspire all of us.

Grade 5/6: Billy Vallender for your engagement in all learning tasks within the classroom. You have been an active member of our classroom, especially during reading. Keep up the super work Billy.

House Award: Sommer Bailey for creating a chasey game that was enjoyed by a wide variety of students this week. Sommer, your game was inclusive and physically active for all involved.

Raffle tickets due back at school
by next Monday 21st June.

Raffle Tickets

Raffle tickets were sent home to every family in the school a while ago. We have put together a large number of prizes thanks to the many generous businesses and individual families both in our school and in the Red Cliffs area. Donations of prizes/goods will still be accepted as we continue to add more prizes up until the day the raffle is drawn.

Raffle tickets to be **returned to school by Monday 21st June**. Thank you so much to the families who have already returned their tickets and money.

The raffle will be drawn on Friday 25th June (last day of term). Winners will be notified so please make sure name and contact number are on all tickets.

For Your Diaries—Student Free Days

We realise that these dates are still a fair way into the future but we want to give you plenty of notice. School Council last night gave approval for 2 curriculum days in Term 3.

Monday 26th July

&

Friday 20th August

Both these days will be used for professional learning for all staff.

Please Wear Hair Up

We ask that all students with long hair ensure that they wear their hair tied up at school. We do have cases of head lice at different times so wearing hair up will help. Hair ties are recommended.

Prep Enrolments For 2022

We are now taking enrolments for Prep students for 2022. Parents are invited to ring the school and make a time for a personalised tour.

Parents wanting to collect an enrolment form can do so at the school office.

Dental Van Visit—Postponed

We received a phone call this week informing us that the planned dental van visit next week has been postponed until the **19th July**. The recent lockdown has required this postponement so that they can catch up schools effected during this time.

In order to get through all the students on one day, they will be sending 2 dental vans. Any students who returned their forms after the designated return date may not be able to be seen on this day. They will try their best to accommodate all students but those students who returned their notes on time will be given priority on the day.

Outside Of School Hours Care (OSHC)

We are in the final stages of setting up our after school care program that will commence in Term 3. We have recently appointed a supervisor who will be running the program. We are just waiting on some last minute red tape to clear. The final additions were added to the multipurpose room over the weekend. Thank you to Aaron Birthisel for the addition cupboards which are vital for the running of the program.

This is a very exciting time for the school and a fantastic addition to our school community. All the information for how to book students in, cost and other information will be made available before the end of the term.

If you know any families considering enrolling their children at RCEPS in 2022, please let them know about OSHC.
