HERO Day

The Junior School Council are organising a special day to raise money for the family of a Red Cliffs East student who is currently facing some major medical issues along with high medical expenses.

Friday 11th of June will be for everyone to come dressed as their favourite hero. It can be a super hero, someone you admire, someone you would like to be, or just come in a colour that your power would be.

We are asking for a **gold coin donation to dress up**. Also, we will arrange a Meal Deal utilising what we have in the freezer to maximise the money that we can raise for the family.

Meal Deal will be \$3.00

Grand Parents And Special Friends Day—Friday 28th May

**GRAND
PARENTS'
DAY**

and special friends

During education week we are inviting the Grand Parents or special friends of our students to come along and spend some time at school with their loved ones. We recognise the vital role Grand Parents play in our students lives and we would love to share their school experiences with them.

The school will be open from 9am to 11am. We will have an assembly from 9am and then the Grand Parents will be invited to spend time with their grand child in the classroom. They can stay for as long as they would like up until 11am. If they can't be there for assembly they can

come along at any time until 11am.

We understand that not all students will be able to invite their Grand Parent to come and visit. So the invitation is also extended to any special people in the child's life that would like to come along; Uncles, Aunties, parents or close family friends. We will need to try and keep the number of guests to a maximum of 3, otherwise the rooms could become over crowded and social distancing protocols will not be met.

We look forward to reconnecting with our community again.

Attitude To School Survey

We value student voice as a means to improving student engagement, wellbeing, and quality instruction, and are conducting a survey to find out what your child thinks of our school.

The AtoSS is an annual student survey offered by the Department of Education and Training to assist our school to gain an understanding of students' perceptions and experience of school. Students will be asked about their thoughts and feelings in relation to their school, their learning, peer relationships, bullying and life in general.

Students from Year 4 to 6 at our school will participate in the survey. Your child will complete the survey online during school hours using a purpose built secure online survey tool. It is important to note that we are not in any way "testing" your child. Your child has the right to refuse or withdraw from the survey at any time.

Your child will be provided with a unique login to complete the survey. The student login is an assigned identifier that may be used to link data for statistical and research purposes only. All responses to the survey are kept anonymous in the response file. Personal identification data will not be recorded in the survey response file. This ensures that the confidentiality of your child's responses is protected at all times.

This year the Attitudes to School survey will be conducted at our school over the period Monday 24th May to Thursday 10th June. The survey takes around 20-45 minutes to complete and occurs during your child's class time.

This ad will be running in the Sunraysia Daily over the next 2 weeks. If you know someone who would be interested in applying for the position please let them know.

If you have any questions about the position please do not hesitate to ask.
