Masks For Grade 3—6 Students

As of this week, all students on school site in Grades 3 to 6 must wear a mask when inside. This rule has been brought in by the Health Department for the safety of all students and staff. Students in Prep-2 are encouraged to wear masks but it is not compulsory. Students are encouraged to bring their own masks to school, but for those who forget we have disposable masks at school.

The students in Grades 3 to 6 who have been on site this week have done a fantastic job following this rule.

Keeping Safe

As we start a new term it is timely to remind everyone of the expectations we have at school.

- If you enter the school buildings you must register using the QR codes.
- Masks must be worn
- Please only enter the school grounds if necessary
- Please do not stay any longer than required when picking up your child after school
- All visitors on site must report through the front office

These expectations are not new to us but they are in place for the health of everyone in our community.

Thank you for your support and understanding.

Kind Donation—Heartbeat Victoria Sunraysia

Two weeks ago we were lucky enough to receive a very kind donation from 'Heartbeat Victoria Sunraysia'. We approached them earlier in the year to see if they could support us in the purchase of our defibrillator. They very kindly offered a donation of \$2295 which covered the total cost.

We would like to extend our appreciation for such a generous donation to purchase a piece of potentially life saving technology for our school.

We hope to hold a fundraising event during school during this term to support their fund raising. They are constantly raising funds to purchase equipment for hospitals and other organisations in Sunraysia.

Athletics Sport Day

We have rescheduled the Athletics sports for Term 4.

**At the moment (all going well) we will run the Athletics sports on:

Outside Of School Hours Care (OSHC)

We have had a number of students starting to use the OSHC program.

The students at the program have been indulging in afternoon tea before starting a number of different fun activities. They have been playing basketball, having a hit of tennis, completing some art activities and spending time playing a variety of board games. All the students are having a great time at the program.

We look forward to seeing some more students coming along in Term 4.

Enrolment forms are available from the school office. Students cannot attend without a completed form returned to the office.

OSHC will be up and running again as of next Monday 25th October.
