Grand Parents And Special Friends Day—Tomorrow!!!!

Sorry but we have had to postpone this event to a later date. Sorry for any inconvenience this may cause.

Remote Learning

Victoria has once again been placed into lock down which requires schools to head back into remote learning. Staff were prepared for this scenario and work packs have been organised and have been sent home with students tonight. Tomorrow is a state wide pupil free day so therefore students will not be at school. Next week the school will be staffed for students who cannot work from home. A survey link was sent out today to fill out if you need your child to attend school. Please remember to include your child’s name on the survey response. We understand that these circumstances are not ideal but it is just something we need to work through. Thank you for your understanding.

Happy Birthday Donnie Thompson, Annahait Sidhu, Olly Robb.

This week we had students from Red Cliffs East Secondary College visit our school to conduct some PE lessons as part of their PE program. The students are working with some of our classes to develop lessons and conduct these lessons over a few weeks.

It was great to have the students working with our students and even some ex students returning to their old stomping ground.
