Centenary Celebration

WOW!! What a day last Friday turned out to be. We had 100's of people from all parts of the country come and visit the school to reminisce. There were many stories told and lots of catching up with people from long ago.

It didn't matter if you came during the day or the evening, the end result was the same. We could all see just how important the Red Cliffs East Primary School community has been in families lives for 100 years.

Thank you so much to everyone who came along during the day. Also, to the many people to helped on the day or in the weeks leading up to it, thank you so much. Your work was very much appreciated.

Unfortunately during the hustle and bustle of the day, we did not get a lot of photos. If anyone has photos that they are willing to share can you please email them to craig.warn@education.vic.gov.au.

STOMP

Next week all students will be participating in daily dance sessions with the 'Stomp dance company'. Dance instructors will be putting the students through their paces every day, with the plan to present a final dance to our community on Friday (more information to follow).

I know this is very late notice, and for that I apologise, but there is a cost of \$5 per student to participate in the dance sessions. This money needs to be paid either tomorrow or first thing on Monday morning. Again, sorry for the late notice. For those of you who have applied for CSEF you may use this to pay for the event

CSEF—Camps, Sports And Excursion Fund

The Camps, Sports and Excursions fund is available to anyone with a valid Health Care card or are a temporary foster parent. The fund will enable the school to hold money for you at the school. You can then use this money for excursions, camps etc. All you need to do is let us know that you want us to use it.

If you have a Health Care Card, please collect an application form from the office. You must complete a new form every year. If you are eligible, the money will be processed at school and remain on our system for you to use.

Junior School Council

The members of the JSC decided that they wanted to chip in and help get the school ready for our Centenary last week. They decided a great way to help was to spend a lunch time cleaning up the yard. Boy did they do a great job. They even managed to create a bit of interest and had other students come and join them and help out. That is true leadership!!!!

Thank you to the JSC representatives for showing initiative and a willingness to give up your lunch time to help out. The school was certainly neater because of the work you did.

We really appreciate it.
