Last day Term 3	Friday 18th September
First day Term 4 - All students return on site	Monday 5th October
School Council meeting—6.30pm	Wednesday 14th October
AFL Grand final eve public holiday	Friday 23rd October
Melbourne Cup public holiday	Tuesday 3rd November

All students return to school—Monday 5th October
First week of term 4

Well we finally got the news we were looking for. The students are able to return to face to face learning from the first day of Term 4.

To say that remote learning during Term 3 was a strain on all of us in some way or another would be an understatement. We have all had our work, families lives and relationships placed under significant amounts of pressure. Hopefully you all found a way to deal with it and have kept yourself going.

Getting through the past 7 weeks has relied on everyone doing their bit. We have been so impressed with the way students and parents have continued to 'soldier on' in a less than ideal learning situation. As a staff we thank you all for your efforts and willingness to engage with us through this time.

We cannot finish the term without a huge thankyou to the staff for all their hard work during the past 7 weeks. This mode of learning is not ideal, but the staff have adapted very well to provide students with quality learning opportunities. The time, effort and expertise that staff put into the online and take home work packs was outstanding. We were determined to ensure all students could access the curriculum whether that be online or in paper version. We understood that every household was different so we needed to cater for a variety of needs.

In summary, thank you to the whole community for your commitment to the last 7 weeks of remote learning. We hope that Term 4 starts and finishes as normal (as normal as we can make it).

Students Of The Week:

September 4th

Grade Prep: Turria Sherrin for the amazing work you are doing in writing. You are independently listening for the sounds you can hear in words, to write new and tricky words. You also listen to feedback from your teachers to help you improve your procedure writing. Keep up this terrific effort!

Grade 1: Christopher Lane for the effort you put into your Webex reading session this week. You were using great strategies to work out unfamiliar words. Well done also on your confident participation in this week's virtual dinosaur excursion. Congratulations Chris!

Grade 2/3: Stella Eastwood for the persistence you have shown in your WeBex meetings this week. Stella, you have been challenged by technology this week and have shown great resilience during our class Webex meetings. You were still determined to participate and succeeded in sharing your learning and ideas with your teacher and classmates. Well done Stella on demonstrating great resilience and determination!

Grade 3/4: Evie O'Brien for the wonderful effort and commitment you have put into completing your remote learning tasks. Evie, you have continued to work extremely hard and challenge yourself, just like you would in the classroom. Well done Evie, keep up the magnificent work!

Grade 4/5: Abigale Hanemann for the persistence and focus you displayed in your Maths group session this week. It was fantastic to see you so engaged with your learning and focussed on using your problem-solving skills. It shows that you care about your learning and you are determined to make the most of every opportunity. Well done Abigale, keep up the terrific effort!

Grade 6: Dakotah Dawe for the enthusiasm and dedication you have shown towards your learning. Dakotah, this week you have attended each Webex session as well as being an active participant by asking clarifying questions and contributing to discussions. Well done and keep up the great work!

September 11th

Prep: Gursidak Singh for the amazing work you are doing while learning at home. You are completing all the tasks set by your teachers to a high standard, as well as participating in Webex Reading and class Webex meetings. Keep up this terrific effort!

Grade 1: Zara Trinne for confidently participating in all of our Webex class meetings and working hard in your Webex reading sessions. You are willing to share your ideas and you always do so with a smile. Keep up the excellent work!

Grade 2/3: Jonnathon Lawson-Chapman for the great effort you have shown in your remote learning this week. Jonnathon, you have made sure you have started each day with a positive attitude and approached all your tasks eagerly. You have worked persistently and given each of your remote learning tasks this week your best effort! Well done Jonnathon and keep up the fantastic work.

Grade 3/4: Darcy Nystrom for the persistence and dedication you have shown towards your learning. Darcy, it is clear that you have been putting in a lot of time and effort in completing your tasks which has been reflected in your work that is of high quality and ever improving standard. Well done Darcy, keep up the tremendous work!

Grade 4/5: Peni Pomee for the dedication you are displaying to your learning. It is fantastic to see you putting so much effort into your Remote Learning tasks, especially your Maths and Reading. You should be very proud of yourself Peni. Keep up the amazing work!

Grade 6: Charlie Reid for the hard work and dedication, you have shown towards your learning. Charlie, whether at school or learning from home, you are consistently completing all set tasks as well as uploading your work onto Compass when requested. Keep up the great work!

RED CLIFFS EAST PRIMARY SCHOOL

A Community of Learners

Prep Enrolments 2021

Enrolments for 2021 Prep students are now available.

Parents are encouraged to contact the school to arrange for enrolment information and a private tour.

Contact: School office PH 50241147 – Craig Warn (Principal) craig.warn@education.vic.gov.au

Broad Brimmed Hats

Broad brimmed hats are compulsory in Term 4. Students will not be able to play in the yard at recess or lunch time if they do not have their hat. Please ensure all hats are clearly named. Schools hats are available for purchase from school.

Return Student First Aid—Asthma Puffers

Many students took first aid devices home at the start of remote learning. We now require all medications and asthma puffers to be labelled and returned to school.

Updating Contact Details

We have noticed during this term that some of the phone numbers and contacts details for families have changed. If you have changed any of your contact details recently please contact the office with your new information.

Health And Safety

A reminder of the processes we are putting in place for student return to school.

- Parents **please remain off site** unless you have a genuine need to attend school.
- When picking your child up after school, please keep social distances and do not stay any longer than you need to.
- Students use hand sanitiser when leaving the room and re-entering after recess and lunchtimes. They are encouraged to use the sanitiser throughout the day.
- **Students must have their own drink bottles.** The bottles can be refilled from the school drinking taps but the students may not use the taps directly to drink from.
- We are attempting to social distance in the classrooms as best we can.
- Staff are social distancing in the staff room and the classrooms.
- Staff temperatures are taken every morning upon arrival at school.
- Cleaning times have been increased. Common touch points (door handles etc.) are cleaned throughout the day. Playgrounds are sprayed with disinfectant after recess and lunch every day. Student tables are cleaned twice a day.
- Students or staff with any symptoms (e.g. coughing, high temperature) are to remain at home.
- All visitors to school must enter via the office and **do not go directly to classrooms.**

It is very important as a community that we do not become complacent now that some of the restrictions are being eased. We certainly do not want to go back to stronger restrictions or even a return to remote learning. We are all responsible to do our bit for the greater good.

Just For Fun

If you are looking for something to make you giggle, jump onto You Tube and check this out.
