“Every Day Counts”

If your child is absent from school we must have a note, phone call or you can also enter the reason directly onto COMPASS to explain the absence. This is required by the Department for our records.

Assembly this week will be run by the Grade 4/5 class—2.45 Friday

Information Sessions

Last night we held some information sessions for our parents. The sessions were designed to ‘open the rooms’ so that everyone; students, parents and staff, were all on the same page.

We hope that parents left these sessions with an understanding of our classroom expectations and procedures, and that you feel more in touch with the everyday workings of your child’s day at school. As parents you play a very big role in encouraging your child to be an active student at school.

Thank you again to everyone who turned up to the sessions.

CSEF—Camps, Sports And Excursion Fund

The Camps, Sports and Excursions fund is available to anyone with a valid Health Care Card or are a temporary foster parent. The fund will enable the school to hold money for you at the school. You can then use this money for excursions, camps etc. All you need to do is let us know that you want us to use it.

If you applied for CSEF last year, you do not need to reapply.

You may need to reapply if your circumstances have changed since last year.

If you have a Health Care Card, please collect an application form from the office.

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure

Curriculum Day—27th March

The planned curriculum day (pupil free day) for the 27th March will involve all staff. This means that the usual full day after school care program will not be running. We understand that this may be an inconvenience for some families, but it is important that all staff attend the training on this day.

Pupil Free Day—Friday 27th March

Dental Van Visit

Next Monday the dental van will arrive at school for the week. Students will have an opportunity to visit the dentist for a check up during the week. Thank you to everyone who returned their forms to book an appointment with the dental van.

Bus Travellers

Parents of bus travellers, please remember to return the form sent home earlier this term. If your child is planning on using the school bus before or after school at any stage this year, they must have a completed bus form returned to school. Please collect a form from the office if you need one.
