“Every Day Counts”

If your child is absent from school we must have a note, phone call or you can also enter the reason directly onto COMPASS to explain the absence. This is required by the Department for our records.

Assembly this week will be run by Grade 4/5.

Prep And Grade 1 Swimming

This week the Prep and Grade 1 class have been participating in their annual swimming lessons, held at First Strokes Swim School in Mildura.

The students have engaged with the learning and the new experience with so much confidence and excitement. Their behaviour has been magnificent and the feedback from the instructors has been nothing but positive.

The Grade 4/5 and 5/6 students will be participating in Week 2 of next term, followed by the Grade 2 and Grade 3/4 class in week 3. Notes and money for these classes need to be at school ASAP.

Grade 3/4 Experiment

This term the grade 3/4s have been using the design process to design and build boats that could hold the maximum number of passengers. Their first attempts failed, and every boat sank! However, they learnt from this experience and redesigned their boats, making them different shapes and using different materials. The end result was that all the boats floated and were able to carry several passengers.

Grade 4/5 Book Review

Grade 4/5 students have been working with the book 'The All New Must Have Orange 430'

Please join them after assembly tomorrow to see some of their work.

Dates For Your Diaries—Pupil Free Days

School Council has approved 2 pupil free days in Term 4. The first date is **Friday 7th October** (Curriculum Day) and the second is **Monday 31st October** (Professional Practice Day). Both days are pupil free days.

Parent Opinion Survey

During the week some families were sent a note with information of how to complete the annual parent opinion survey. This note was sent home with the students (so check their bags). Not all families received this note as approx. 30% of our families were selected at random.

If you did receive one, can you please take 20 minutes to complete it online using the instructions in the note. The information this survey provides us is very important.

This survey closes tomorrow, 16th September.

Prep, Gr 1 And Gr 2 Dinner And Gr 2 Sleepover

Last Thursday the Prep, Grade 1 and Grade 2 students had the opportunity to spend time at school for our annual infant dinner. The students spent time decorating cup cakes for dessert, participated in 'minute to win it' games, had fun with the parachute and got creative with 'Lego Master'. After a delicious pizza and hot chip dinner, the students got their groove on at the disco.....and boy did they have a ball!!!

It was then time for the Prep and Grade 1 students to head off home, leaving the Grade 2 students to spend the night watching a movie and then sleeping until the early hours of Friday morning. Breakfast was then served followed by a day at school.

Thank you so much to the staff for creating such a great experience for the students. A special thank you to Miss Gray and Miss Wagstaff for spending the night with the Grade 2 students. Also, an extra special thank you to Miss Wagstaff for co-ordinating the night. The kids had a great time.

Get the family involved!
