The Beat

Our Grade 6 students had the incredible opportunity to showcase their talents in The Beat performance, dazzling audiences on Tuesday and Wednesday night, as well as during a special Wednesday Matinee which the rest of the school went along to watch. The students did an amazing job, impressing over 200 people with their energy and enthusiasm. The experience of performing under the lights, with smoke machines adding to the atmosphere, was unforgettable for them. After months of hard work and dedication, it was truly rewarding to see their efforts come to life on stage. Congratulations to all our performers—you made us all proud!

Birthdays Matilda Marinucci, Makayla Searle, Toby Searle.

Athletics Sports

Yesterday's Athletics sports was a great day. Not so much the weather (bit windy and chilly) but the way in which the students competed and gave their all in each event.

Thank you to all the community who turned out to support the students. Your encouragement is always valued and appreciated.

Well done to the age group champions (certificates will be handed out at assembly next Friday afternoon). McLennon came away with the house win for the first time in quite a while.

Well done team!!

35 Years Of Service—Congratulations Leanne

This week the Department of Education celebrated Leanne's 35 years of service. A special presentation ceremony was held on Wednesday night bringing together staff from different schools to collectively acknowledge and celebrate their contributions to our schools.

Tip Kennedy, our newly appointed Regional Director for the North-Western Victoria Region, was in attendance to present Leanne with her certificate. Leanne started her career with the Department at Mildura High School, then Sunnycliffs PS and intermittently at Merbein Sth PS, Mildura Specialist School, Mildura PS, Nangiloc PS, Irymple PS and finally with Red Cliffs East PS. We have been lucky enough to have her at our school for the past 21 years.

Leanne is such a highly valued member of our staff and our community. Her willingness to do whatever it takes to make our school function is greatly appreciated by staff, students and parents.

Congratulations Leanne!
