Grade 6 BEAT Performance

The Grade 6 students have been busily rehearsing their dance for the 2022 BEAT performance.

As a school we will be going to watch the Grade 6 students perform at the matinee on the **24th August**. Please return the permission form signed with \$5.00 ASAP.

This is an extra-curricular excursion so therefore if students have not paid the \$5 to attend the performance, they will not be able to attend. They will instead remain at school with a teacher.

The Grade 6 students will be performing 3 times over 2 days—one matinee and two nights. They will not need a ticket if they are just performing, although if they are going to attend in the audience after a night performance then they will need a ticket.

“If Grade 6 students want to watch the night performance, they will need to purchase a ticket. Parents will have to collect their child from the backstage door and return with the student through the foyer entrance.”

Beat Co-ordinator (Mildura Arts Centre)

Tickets are now on sale so make sure you get in quick so you don't miss out.

Any questions (Grade 6 parents) please do not hesitate to contact the school.

Class Awards:

Grade Prep: Max Allford for the outstanding effort you have been putting into your narrative writing over the past few weeks. It has been fantastic to see you using tricky words you know, as well as trying your best to write challenging words like 'elephant' when writing your stories. I look forward to reading your diary and learning all about your amazing adventures when you get back from your holiday!

Grade 1/2: Zac Allford for the confidence you show when you are sharing your thinking with the class. You are always willing to have a go and you explain your answers and ideas clearly. Well done Zac, fantastic effort!

Grade 2: Kaise Bolitho for your wonderful work in writing this week. Kaise, you have brainstormed some great ideas for your fairytale story and made sure you have included lots of details in your planning. It has also been great to see you happily sharing your thinking with others too. Well done Kaise and keep up the fantastic efforts in your writing.

Grade 3/4: Jai Lawson-Chapman for the work that you have been putting in to prepare for your student led conference. You carefully selected some work to share with your family and confidently explained the process to create your work and the reasons you were proud of it. Keep up the great learning Jai!

Grade 4/5: Kiaisha Huddleston for being so well prepared for your Student Led Conference. Kiaisha, you had put a lot of thought into the work you wanted to share and had everything organised so you could easily access it all. You spoke clearly and confidently about your learning and it was fantastic to see you feeling so proud of your hard work. Well done Kiaisha!

Grade 5/6: Lucas Smith for your commitment in Maths this week. You have been working hard to build your understanding of fractions and have also been helping your class mates build their own capacity. Keep up the super work Lucas!

Book Week—26th August

We will be holding our annual Book Week parade and activities on **Friday 26th August**. Students are encouraged to come dressed as a book character.

It is always a great day filled with dress ups and book activities. The staff also get dressed up, and even some parents in the past have joined in the fun.

We will have a parade at assembly in the morning followed by book activities for the rest of the day.

It is not a for while yet but you may need some time to source a costume.

Athletics Sports—Friday 12th August

Next Friday we are holding the annual Athletics sports. All students will be involved in many different athletics events during the day. Parents and families are invited to come along and encourage their children.

The day's events kick off at 9.30 and will conclude at 1.30. We then run relays races after lunch with a presentation assembly at approx. 3.00pm. It's a huge day....come and join us!!!!

We will have a coffee van onsite for you to purchase a coffee or two during the morning.

After School Care

This week at After School Care, Children have had a huge success with growing their crystals.

Even though it is sometimes hard to have a bit of patience, all children displayed great persistence and patience skills for their crystals to grow.

We have made the most out of the good weather that we have had and have spent quite some time outside. Children have been able to be creative which was evident by them building /changing their fort on a daily basis, creating obstacle courses on the

playground and asking to be timed while completing them whilst also finding and figuring out clues on our treasure hunt. Children have started to practice their long jump to be ready for the upcoming Athletics day.

Inside we have been busy with some art work, making hand puppets, being creative with Lego constructions as well as engaging in paper paint activities.
