Leadership Speeches Tomorrow

Tomorrow at assembly the Grade 5 students wanting to be considered for 2022 School Leader will be presenting their speeches to the school community. The speeches will begin at approximately 9.10am.

We are inviting the parents of those students presenting their speeches to come to assembly to support their child. Public speaking can very difficult and your support would be greatly appreciated. Unfortunately we are still not in the position to open up assembly for all parents.

The students have spent a great deal of time writing their speeches and rehearsing in front of their classmates, ready for tomorrow morning.

Outside Of School Hours Care (OSHC)

We have had a number of students starting to use the OSHC program.

The students attending the program have been indulging in afternoon tea before starting a number of different fun activities. They have been playing basketball, having a hit of tennis, completing some art activities and spending time playing a variety of board games. All the students are having a great time.

We look forward to seeing more students come along in Term 4.

Enrolment forms are available from the school office. Students cannot attend without a completed form returned to the office.

OSHC is up and running again.

Students must be booked in through the office and have enrolment forms completed before they can attend.

Grade 6 Graduation Night

The Grade 6 students will be participating in their Graduation Night on Monday 13th December. The evening consists of a meal and speeches (from all Grade 6 students) along with some special presentations. The night will be hosted by the Red Cliffs Football/Netball Club and will be held at the clubrooms beginning at 6pm and should conclude by approximately 8.30pm.

A note was sent home late last week asking parents to inform us of how many people will be in attendance. It is vital that this form be returned to school, along with the money for meals, by **Monday 6th December**. We need to confirm numbers so that the Football Club volunteers can order supplies for the meals.

Important information:

Current COVID restrictions are very clear. Any person attending the Graduation who are 16yrs or older **must be double vaccinated**. Without a proof of double vaccination you will not be permitted in the building. These restrictions are in place in all public eating venues so therefore they also include the Red Cliffs Football/Netball Clubrooms.

Vaccination will be verified upon entering the venue.

Vaccination Requirements For Parents And Carers Attending Schools

There are some new rules that will effect how parents and visitors attend our school in the near future. The following information has been taken from the most recent Operations Guide that provides schools with the operational procedures in these changing times.

All parents and carers attending schools, including for drop off and pick up must adhere to physical distancing, density limits, face mask requirements and practise respiratory etiquette and good hand hygiene.

Parents and carers who enter school buildings must check in using the QR code.

Parents and carers who enter school buildings must also have had at least one dose of COVID-19 vaccine and must have had **two doses of COVID-19 vaccine by 29 November 2021 or have a valid medical exception** with the following limited exceptions:

- when attending to administer medical treatment to their own child when the treatment cannot be administered by the school
- when attending to collect their child who is unwell and cannot leave the school building unaccompanied by their parent/carer.
- when attending for a momentary period that does not involve any sustained contact with staff or students, for example, to collect a completed art project or similar.

Parents and carers attending any event or activity inside a school building including, but not limited to tours, graduations, kindergarten transition, whole of school events are required to show evidence of vaccination.

Parents and carers attending school sites for drop off and pick up who do not enter school buildings do not need to comply with vaccination requirements.

We need to ask our community to understand that these procedures are placed upon us to enforce. The underlying motivation is to keep our young people safe.

We know that there may be some people in our community who find these restrictions very difficult to understand or accept. The last thing we want is to affect our relationships in any negative way. Our staff are not to be subjected to any verbal abuse while they are following these directives. We will need to ask to see evidence of vaccinations. Please ensure you work with us in this process.

If you have any questions or problems make sure you contact Craig directly.
