# THE WEEKLY NEWS

## Letter From The Premier

Over the weekend this letter was sent to staff in schools from Dan Andrews. I thought it was important to share this with our community. Right now, everyone is coping with life in different ways. For our staff, it is a very busy and highly stressful time in their careers. Teaching is so different but their capacity to adapt has been outstanding, always with the students at the front of mind. The amount of planning, preparation, teaching, providing feedback and communicating with families/students has proven to be greater than we expected. This being said though, the motivation of staff has always been and always will be, to ensure that our families are supported and the students are provided with quality learning opportunities while working from home.

I am extremely proud of our staff during this time, as they have never waived from their professional obligation to our students, families and community. We do not know what the near future holds in terms of how school will operate, but you can rest assured knowing that the staff at RCEPS will continue to work for our community.

**Birthdays** Jessica-Lee Thomas, Nyoka Handy, Ryan Alchin, Leni Beasley, Nate Edwards-Riley, Sommer Bailey, Maddison Stone, Gurnidh Singh.

## To All The Mums Of RCEPS Community

To all the Mums of Red Cliffs East Primary School community, we would like to wish you all a .....

Thank you for all you do, especially during this time.

### **Student Attendance At School**

Please remember to complete the survey sent through COMPASS at the end of each week if you need to send your child to school the following week. For staffing reasons we need to know how many students will be attending school.

If your child can work from home, then this is what they must do.

### **Good Luck Mrs. Smythe—Welcome Mrs. Earl**

Next Friday 15th May will be Mrs. Smythe's last day of school as she heads off on family leave. She leaves us at a very different time so it will be difficult for students and parents to say good luck. Perhaps an email would be nice? As a school we wish Mrs. Smythe all the best with the birth of her second child. We know she will be back to share her new little bundle the first chance she gets.

Mrs. Bronte Earl has been appointed to the Prep position as of the 20th May. She comes to us as an experienced teacher in NSW schools. We will make sure that she is at school at different times this term so that she can get to know some of the students, but we will also invite her in on days where parents are collecting their work packs so that you can introduce yourself. I know you will all make her feel very welcome at RCEPS.

### **Student Work Packs**

Next week will be the end of the current block of student work. As previously, we will have a change over day where parents will return student work and pick up the next pack of work. This will happen on **Monday 18th May from 8.30-11am**. This day will also be a work free day for everyone to take a break for the day. The new work will commence on Tuesday 19th May through to Friday 29th May.

Teachers will have the chance to mark the completed work and will have it ready for pick up from school on **Friday 22nd May from 8.30 to 11am**.
