Well done to everyone who came along last Thursday for the walk/ride to school. We had approximately 100 students, parents and younger siblings join us for some morning exercise. Once we arrived back at school, Bonney and some parents/teachers had some healthy breakfast waiting for the students to feast on. We then drew the raffle winners (listed to the left) which really created a sense of excitement in the crowd.

It was a great morning enjoyed by our wonderful school community.

Due to the wonderful community support, the school raised \$567.00 which will go to the Parents' Club. What a great result!!!

Students Of The Week:

Grade Prep/1: Charlotte Thomas for the effort you have put into your writing this week. It has been wonderful to see you having your best go at using the letter sounds you know when completing your Big Write. Keep up the great work!

Grade 1: James Caldwell for being focussed during learning time. You work hard on your tasks when you are at your desk and when on the floor, you are listening carefully and sharing your thinking and ideas with the class. Keep up the excellent work!

Grade 2: Thomas Edwards-Riley for the wonderful effort you have put into your learning this week. Thomas, you have shown great persistence in all of your learning tasks and your classmates are noting that you are becoming more confident when approaching your collaborative and independent tasks too. Well done Thomas and keep up the great work!

Grade 3/4: Joshua Smith for your commitment to completing challenging Maths tasks this week. Josh, you have worked extremely hard to solve number patterns using multiplication and have done a wonderful job at explaining your thinking. Keep up the great work!

Grade 4/5: Savannah Curtin for organising a soccer game that involved everyone! Thank you for thinking of others and making sure we all felt included. It was great that you encouraged all to be active in the yard before school, at recess and lunch time. Well done Savannah!

Grade 5/6: Emma Ryan for working hard on all learning tasks this week. You have made sure you are putting in your best effort and have been a great helper for some of your peers. You have also been a respectful listener and contributor. Keep up the super effort Emma!

House Award: Savannah Curtin for initiating and including others in your game of soccer. Savannah, we have been impressed how well you and your friends have been playing together during recess and lunch. In doing so, you have also been physically active during play time.

Hot Cross Bun Orders

The buns will be available for collection from school on **Tuesday 30th March (after school)**

Thank you for the many orders and support from our community.

BBQ Fundraiser

We have confirmation for the 24th April (first Saturday of Term 2). This is always a great opportunity to raise money for the school and we only get this chance once a year. In order to make the day successful we require the support of our school community. We are asking for volunteers to work the BBQ in 2 hour blocks.

We have allocated the following time slots:

8-10am – setup, cook and serve

10-12noon – cook and serve

12-2pm – cook and serve

2-4pm – cook, serve and pack up

We will require 3 people in each time slot. **No previous experience necessary!!**

Everything will be provided. You just need to turn up.

A note will be sent home to families in the near future asking for volunteers. Please consider the chance to help us raise some funds for the school.

Easter Hamper Raffle

Please return the books and money by Monday 29th March for the raffle to be drawn on Wednesday 31st March.

Donations of Easter goodies for the hamper would be greatly appreciated and can be left at the office.

Swimming—Swan Hill

Last Thursday Nic Hahnel travelled to Swan hill to represent our school and our region in the regional swimming carnival. These are students who have qualified through their own local swimming carnivals. Nic competed in the butterfly and came 3rd. What a fantastic achievement. Well done Nic.

Author Andy Griffiths

Last week budding authors in Grades 4/5 and 5/6 were lucky enough to log on to a live chat with author Andy Griffiths.

He shared his journey to becoming an author and discussed where he gets his ideas from. Students found him to be an engaging and inspiring presenter, and we look forward to seeing them work on implementing some of the tools he shared.

School Council members 2021

Last night we held our School Council AGM. The members for 2021 are:

Janet Thompson—President
Prue Beasley—Vice-President
Kendell Gathercole —Treasurer
Michael Tuohy—Secretary
Sarah Wagstaff
Matt Marinucci
Daniel Englefield
Nerellee O'Brien
Brent Byrnes
Craig Warn

We had two members leave the Council this year. Helen Allford and Cassandra Davey have served our school on Council for a number of years. We thank you for your ideas, commitment and genuine care for the school.

Thank you to all our new and returning School Council members for 2020. Your willingness to contribute to the governance of our school through the Council is very much appreciated by our community.

At last's nights meeting the Council discussed many items in relation to our school. There were some that we wanted to share with our community:

- Continue to follow up with the survey results for an after school program
- Refurbish the library (new shelving to replace the current shelves)
- Work through the process of reroofing the school buildings (\$427,000 grant)

If you would like to contact the School Council please use the following email:

rceps.schoolcouncil@gmail.com

The safety of children riding home on bikes was also discussed. As a Council we understand the importance of students being able to ride to and from school, but as a school we do not take responsibility for how the students ride. We ask that parents remain vigilant in ensuring that their children are safe while riding to and from school. It may require you to ride with them for a while to ensure they are safe. If you feel they are not being safe then please talk to them and ensure that they are aware of the consequences of them being unsafe on the roads.

Irymple Basketball Association

Mini-Ball is an introduction to a skills-based basketball program for Primary school aged children. The program is player-centred, fun focused & affordable. Providing opportunities to learn, play with friends and develop important social skills in convenient safe and friendly environment. Catering to boys and girls attending primary school prep to Grade 4.

All teams participate in a 45-minute session each week, comprising a 30-minute game and a 15-minute training session. Coaches remain on the court during games to assist the players. The season runs from Term 2/3. All uniform singlets are supplied. Players need only ensure they have shorts and suitable footwear.

During the season, each team has a game and training session every Saturday morning between 9.30 am and Midday.
