“Every Day Counts”

If your child is absent from school we must have a note to explain the absence. This note is required by the Department for our records.
Assembly this week will be run by the School Leaders

Prep/1 Lunch

The Prep/1 class will be holding a family lunch tomorrow, Friday 20th September. The students have invited a family member to come to school and have lunch with them to celebrate the recipe books they have created in writing this term. The students have worked hard to create these books so it was appropriate that they celebrate with a special launch. We look forward to seeing the family members at school tomorrow at 1.30pm celebrating with the students.

Swimming Notes

Prep to Grade 4 students will be participating in swimming lessons early in term 4. Please ensure all notes and money are returned to school by the first week of term 4.

NAPLAN Results (Gr 3 & 5)

Results for your child can be collected from the office at any time.

Prep-2 Tea and Gr 2 Sleepover

Last Friday night the younger members of our school had a fantastic time at the Prep to 2 tea. The Grade 2 students then had the bonus of a sleepover. Activities, tea, disco, lolly hunt, movie and then breakfast the next morning....what a great night.

All the students had a great time and were so well behaved.

A huge thank you to the many staff members who made the tea such a great experience. A special thankyou to Miss Wagstaff, Miss Jade and Ms Gray who stayed for the sleepover.

Also, thankyou to Justin and Janet Thompson for supplying fresh home made donuts that the students got to decorate for dessert.

Students Of The Week

Prep/1: Jelina Choeun for your organisation and excellent learning choices that you have been making this week! We are so impressed by the way you get yourself ready to learn everyday by completing our classroom routines quickly and quietly and the focus that you show during our learning time. Fantastic effort Jelina. Well done!

Grade 1/2: Seth Wright for the great learning choices you have been making in our classroom this week. Seth, you have made sure you are choosing more suitable places to sit, so you can listen better during floor time. You also are able to start your learning tasks more quickly and are more persistent when completing your work. Well done Seth and keep up the great work in the future.

Grade 2/3: Lachy Fletcher for being so organised in the classroom. You have your materials ready for learning time and it is also wonderful to see the effort you put in to helping others be organised. Thank you for always offering to be a helping hand. Keep up the great work!

Grade 3/4: Olly Robb for your impeccable listening skills this week. Olly, this week we noticed how respectful you have been when other people are speaking. You turn your whole body towards the speaker and ensure your voice is off when their voice is on. Well done and thank you for setting such a great example in the classroom.

Grade 5: Caitlin Smith for the focus you always display towards your learning. You contribute thoughtfully to class discussions and tackle all learning challenges that you are given. Well done Caitlin, keep up the terrific effort!

Grade 6: George Eastwood for all your hard work in class when his collaborative partner was away. You had to work really hard on your own and did a great job. Well done George.

House Award: Jamaine Lawson-Chapman for being brave enough to join in with games in the yard on your very first day. We loved seeing you settling in and making new friends right away. Congratulations Jamaine, you have won 10 points for Byrne!

Addison Eagles for the awesome sportsmanship you have shown all week. It was so great to see you including and looking after people who were playing with you. Congratulations Addison, you have won 10 points for McLennon!

Student Leader Award: Shyann Behsmann for volunteering to run in another schools relay team who were short of participants. Thank you for helping them out and allowing them to compete.

Red Cliffs East Primary School has been working with Hands Up Mallee to develop a new DROP, RIDE and STRIDE zone, to be piloted this year in conjunction with Walk to School month.

What are they?

DROP, RIDE and STRIDE zones are a place away from the school where parents can safely drop off and pick up their children at specific times of the day. Children walk or ride the short distance to and from school, together with other students also using the zone.

Note: We do not encourage unsupervised riding for children under 10 years of age.

The first zone to be trialled has been installed at 7 Cassia Street. Students will walk or ride along the blue stone footpath entering the front of the school.

We will be holding an official opening on Thursday 10th of October. More details will follow early term 4.

Zone times

Drop Off: 8.15-8.45am

Pick up: 3.15-3.45pm

Why are we trialling these zones?

- Improve student safety by reducing traffic congestion in school zones.
- Promote increased physical activity for children.
