## "Every Day Counts"

If your child is absent from school we must have a note, phone call or you can also enter the reason directly onto COMPASS to explain the absence. This is required by the Department for our records.

Contact School Council: [rceps.schoolcouncil@gmail.com](mailto:rceps.schoolcouncil@gmail.com)

Assembly this week will be run by the Prep Class @ 2.45pm tomorrow.

We are holding 2 information sessions next Wednesday for all 2026 Prep parents.

Even you have already been through the Prep process (older siblings) it would still be good to see you at one of the sessions.

Can you please pass these dates and times onto prospective 2026 Prep parents.

### **School Uniforms**

Winter is creeping up and the cold mornings are upon us. Jumper weather is here.

At the moment we are seeing a number of students wearing non-school uniform jumpers to school. These jumpers are not part of our uniform.

Parents, we have school jumpers for sale in the office. Please come in and we can help you to purchase one.

Being in school uniform is an important part of being at school. Feeling connected to your school is also very important and uniforms help to build this connection.

Also, we are finding a number of school uniform items unnamed. This makes it very difficult to find the owners. Parents, please ensure all items of clothing are correctly and clearly named.

### **Breakfast Club Helpers**

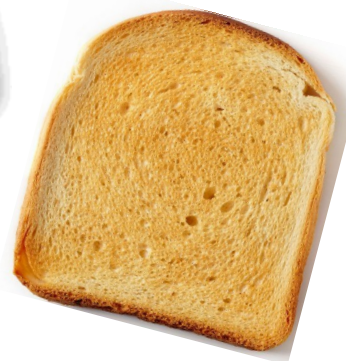

We have a few very loyal and helpful parents/grand parents who help run our Breakfast Club every morning. We are so grateful to these people. They do a wonderful job for all our students.

We cannot keep relying on these helpers. We need more people to help out!!

If your child comes to breakfast club (and many do) then perhaps you could come along and help out. We need people from 8.30am to serve the students toast. We have some student helpers who like to give a hand, but we need adults to be in charge of the space.

## OHSC—After School Care

Good afternoon Families,

This week at After School Care the children have spent most of their time outside. We are changing our routine a bit with outside play first, as it starts to cool down around 5.15pm. We then come inside the multipurpose room and provide different art and craft activities.

Outside this week we have played a few rounds of Dodgeball (still the children's favourite game), lots of playground play and sandpit play. We also had Zac teach us the basics of AFL with us learning how to hold and kick a football.

Yesterday (Wednesday) we held another one of our famous treasure hunts. This one was a bit different than normal and children displayed teamwork, enthusiasm, persistence and enhanced their observation skills.

We have also started to create some foil art pieces. This activity also helps children to be creative, improves their fine motor skills, patience as well as coordinating colours.

More pictures to follow of the children's individual artwork.

## Grade 5 And 6 Lightning Prem Sport Practice

The students in grades 5 and 6 will be combining with students from Cardross and Koorlong Primary schools to compete in the Lightning Prens in Term 3. In order to bring the students together for practice, we will be travelling to the Cardross Football ground where we will meet the other 2 schools.

Teachers from each school will be coaching either netball, football, soccer or hockey. The students will select which sport they would like to participate in for the sessions and Lightning Prens.

Please make sure the students are wearing appropriate footwear and clothing for sport practice. Our students will be traveling by bus leaving school at 1.10pm and returning by 3pm.

The 3 practice sessions will be Friday 30th May, Friday 6th June and Friday 13th June. Due to the 1.10pm departure time, students in Grades 5 and 6 will not be able to order lunch from the bakery. They may still have pie warmers.

Lunch orders will run as usual for the remainder of the students (Prep to 4)
