STOMP

Last week all the students participated in dance sessions with STOMP (a dance company that travels to teach dance at schools). They had intensive rehearsals for 5 days followed by a dance performance on Friday for our community. The students did a fantastic job and had a lot of fun along the way.

Thank you to all the parents who came along and gave our students an audience to dance in front of.....they loved to share what they had learned.

Class Awards:

Prep: Harper Cruise for being an inquisitive learner. Harper, it has been wonderful to see you confidently ask questions if you are unsure what to do or if you just want to know more. It has also been fantastic to see you make connections with our learning and your own experiences. Keep it up Harper!

Grade 1: Thomas Seipolt for being a self motivated and reflective learner this week during writing. You worked hard to finish your recount and listened carefully to feedback that was given to you about your writing. You also showed pride in your own success! Congratulations Thomas, what a fantastic effort on your writing about the Colour Fun Run!

Grade 2/3: Kiara Pittaway for being an active learner in our classroom. Kiara, you have showed in your learning this week that you are having a go at all your tasks. You have also happily shared your thinking about your learning with others and listened attentively to their ideas too. Wonderful work Kiara and keep up the brilliant effort in the future!

Grade 3/4: Henry Marinucci for being an inquisitive learner. You are always interested in what we are learning about and you show this by asking thoughtful questions. You look for new ways to attempt your work and you also consider how other people approach a problem. Keep it up Henry!

Grade 4/5: Sophie Newey for being an Active Learner. Sophie, we have seen you working ever so hard on your Maths. Fractions can be tricky, but you looked to solve the problems presented to you by asking questions, communicating and participating with your peers! Well done Sophie!

Grade 6: Darcy Nystrom for being an active learner! Darcy, we have noticed you have stayed focused and challenged yourself with your learning in all areas of the curriculum this week. Keep up the amazing work!
